Subject No. 1.

Letter No. C 3008/27-28, dated 3rd March 1928, from the Revenue Commissioner in Mysore, suggesting that for reasons explained (1) the officials of the Mysore District that have been continuously employed for not less than 5 years may be given preference to the extent of 50 per cent of the vacancies both General and Special and (2) officials who have not had uninterrupted service of 5 years but have continuously served for not less than 3 years may be absorbed in General vacancies, together with the list received from the Deputy Commissioner, Mysore District, showing the officials who have put in a continuous service of 3 years of a total acting service of not less than 5 years and who are still without substantive appointments.

From a perual of the list sent by the Deputy Commissioner it is seen that out of 32 people named therein, 8 have been appointed since 1920 i.e., after Central Recruitment Board rules came into operation. Of these 8, only 2 are Non-Brahmins viz., B.S.Puttuswamy Naidu who has passed the S.S.L.C. Examination of Mysore and has put in 4 years' continuous service and H. Mahomed Sheriff who has also passed the S.S.L.C. Examination & was appointed in 1924. It is not clear what difficulty the Deputy Commissioner could have had in absorbing these officials as they are presumably fully qualified. It is not necessary to give any exemption in respect of the two officials as they should be provided for in regular vacancies. If any exemption re: age limit is required, application may be made to the proper authorities As regards the other six, there is no reason whatever to reserve any vacancy specially for them. To avoid further hardship likely to be

caused to them owing to the expectation of being made permanent, only such of them as could be absorbed in General vacancies should be informed that there is ~~no~~ a prospect of their continuance in service and the others allowed to take their chances elsewhere.

From the information placed before us it is not possible to state how these vacancies have arisen and how many are temporary due to the fact of people being given promotions and acting appointments made in the permanent cadre. In the case of temporary ~~establishments~~ establishments the officials ~~that~~ who accepted these same ought to have been aware of the temporary nature of them appointment. There is no need to show any special consideration to them. In the case of people who were appointed prior to 1920 and who have been holding appointments continuously since then, the first appointment of a candidate not being of a temporary character if it is held that these people should be absorbed in the vacancies belonging to the class concerned, so far as Brahmin officials are concerned, there is no likelihood of suitable vacancies being found for a large number and if they are allowed to take the benefit of special vacancies, there will be discontent from the Backward Community classes. ~~Though~~ The Committee feel that ~~these officials have some~~ though there is some justification for special consideration being shown to the officials ~~and~~ yet, in view of the hardship likely to be caused to others, they should be absorbed only in General vacancies and we are not in favour of any special vacancies being given for them. The Committee are also constrained to observe that the fact that a large number of people have been kept for years together and no effort has been made either to absorb them or terminate their services, indicates that there must have been many irregularities in the manner of appointments in this District, and the Committee suggest that suitable instructions should be issued to avoid manipulation of vacancies with a view to evade the rules.

Subject. No. 2.-

Letter No. 3884/27, dated 3rd/6th June 1928 from the Deputy Commissioner, Mysore District, recommending that one Chandrasekhariah (Lingayet) who is now acting as Shroff in the Hunsur Taluk (Vacancy No. 1826) may be continued in that vacancy, though he has not applied for it, since he is in no way less qualified than the candidate who has applied for the vacancy.

~~This~~ the appointment of Chandrasekhariah may be permitted. ~~but~~ The Committee observe that chang-

changing the permanent vacancy into a temporary one by absorbing another candidate was irregular and is likely to affect recruitment and hardships. Government may issue suitable instructions to avoid such hardships.

Subject No. 3.-

Letter No. C.C.A. 11/28-29, dated 18th July 1928 from the Revenue Commissioner, recommending that one J.G. Coehlo may be appointed in a vacancy on the minimum pay of Rs 30/- in grade Rs 30-3-60 in the Muzrai Commissioner's Office without advertising the vacancy.

The recommendation may be approved.
~~Exemption may be granted.~~

Subject No. 4.-

Letter No. C.C.(A) 12/28-29, dated 19th July 1928, from the Revenue Commissioner, requesting sanction to appoint one K.Venkataratnam in a vacancy of clerk in his office in the lower division on Rs 30-3-60 without advertising it.

May be approved.

Subject No. 5.-

D 407.

Letter No. 2177/27-28, dated 25th July 1928, from the Director of Industries and Commerce requesting approval to the confirmation of Mr. Raghavendra Char B.A., as Accountant on Rs 30/- per mensem in the office of the Superintendent of Sericulture without prejudice to the lien on his acting appointment as Head Clerk of the Superintendent's office.

As there is no likelihood of ~~this man~~ Mr Raghavendra Char doing the work of the post and ~~the vacancy has to be advertised~~ and it is ~~not~~ likely that a suitable Non-Brahmin candidate may ~~care~~ accept for acting on a pay of Rs 30/- the Committee consider that vacancy on Rs 30/- permanent should be advertised as required by the rules.

Subject No. 6.-

Question of giving wider publicity to the vacancies that are reported and advertised in the Mysore Gazette and sending up to the Central Recruitment Board proposals in regard to the measures to be adopted for the purpose.

~~May be~~ deferred to the next meeting

The candidate may seek his chances in General vacancies.

Subject No. 9.-

Proposal to exempt Aga Mahomed, Clerk, General and Revenue Secretariat, from the prescribed educational qualification for selection as Probationary Revenue Inspector.

D 845-F-1928

In view of the fact that there is no paucity of competent candidates for appointment as Prob: Rev: Insp^rs. there is no need to consider the application.

Subject No. 10.-

Letter No. 852 dated 3/5th September 1928 from the Revenue Commissioner in Mysore recommending that H.Madhava Rao, permanent Dafterbund in Banavar Municipality may be exempted from the operation of the rules of recruitment for confirmation in his present appointment of Octroi Mutsaddi in which he is acting.

~~From a perusal of the list of services it is seen that appointments were made and continued in very irregular manner and that attention of Government may be invited to it.~~

The Committee are of opinion that the man may be absorbed in a ~~permanent~~ General vacancy.

Subject No. 11.-

Letter No. C 808/28-29, dated 28th August*/5th September 1928 from the Revenue Commissioner, recommending that the marginally noted officials may be exempted from the recruitment Board rules for their absorption in general vacancies of appointments carrying Rs 25/- in the Hassan District, in the usual course.

1. H.Anantasubba Rao, acting Clerk, Dist. Economic Superintendent's office
2. B.S.Ramaswamiengar, acting Head Clerk, District Office.

From a perusal of the list of services it is seen that appointments were made and continued in very irregular manner and that attention of Government may be invited to it.
